

## PORTFOLIO HOLDER DECISION NOTICE

### INDIVIDUAL DECISION BY THE PORTFOLIO HOLDER FOR ENVIRONMENT, HEALTH AND WELLBEING

#### TOPIC – TRAFFIC REGULATION ORDER PROGRAMME 2016/2017

#### PROCEDURAL INFORMATION

The Access to Information Procedure Rules – Part 4, Section 22 of the Council's Constitution provides for a decision to be made by an individual member of Cabinet.

In accordance with the Procedure Rules, the Chief Operating Officer, the Chief Executive and the Chief Finance Officer are consulted together with Chairman and Vice Chairman of The Overview and Scrutiny Committee and any other relevant overview and scrutiny committee. In addition, all Members are notified.

If five or more Members from those informed so request, the Leader may require the matter to be referred to Cabinet for determination.

#### Contact Officers:

**Case Officer:** Neville Crisp, Tel: 01962 848484, Email: ncrisp@winchester.gov.uk

**Democratic Services Officer:** Nancy Graham, Tel: 01962 848235, Email: ngraham@winchester.gov.uk

#### SUMMARY

The Engineering and Transport Team (Environment) are responsible for introducing new Traffic Regulation Orders (TRO). Each year the Council receives more requests for new TROs than it can implement and consequently a programme is produced to prioritise resources accordingly.

This decision notice summarises the existing TRO requests on file and recommends the TRO programme for 2016/2017.

#### DECISION

That the Traffic Regulation Order programme for 2016/2017 be approved as detailed in the attached Appendix.

## **REASON FOR THE DECISION AND OTHER ALTERNATIVE OPTIONS CONSIDERED AND REJECTED**

Traffic Regulation Orders (TROs) form part of the work covered by the Engineering and Transport Team (Environment). Due to staffing and financial resource constraints it is not possible to action all the requests received for amending existing or implementing new TROs. All such requests are recorded and prioritised against criteria primarily relating to road safety, community support and impact together with the level of available resources.

There is an understandable expectation that the Council should be able to action all requests it receives and the attached Appendix shows there are a substantial number of these requests across the District. The funding provided by Hampshire County Council, under the agency agreement to do traffic management work, meant we were able to implement 16 TROs in 2013/14, 20 TROs in 2014/15 and 25 TROs in 2015/16 (current estimate subject to final approvals). The volume of potential work therefore means there is a need to prioritise these requests, as mentioned above, to ensure the most urgently needed are dealt with first.

The remaining requests are kept on the list for future review and implementation if additional resources become available. This is however unlikely in the coming year due to one member of the Engineering & Transport team currently being on maternity leave which will significantly increase the overall workload of the remaining team members.

TRO programmes have been produced every year since 2010/11 and have proved an effective and transparent way of prioritising schemes and maximising the use of limited resources as well as managing the expectations of those making the requests for action to be taken. Following on from this all outstanding TRO requests currently with the Council have again been reviewed against the relevant criteria as noted on the draft programme for 2016/2017. See Appendix.

The TRO programme is in keeping with the Community Strategy in its attempt to provide a high quality environment & safe and strong communities through the introduction of appropriate traffic management measures.

## **RESOURCE IMPLICATIONS:**

The cost of implementing the traffic regulation orders and associated signs and lining work will be covered by the Traffic Management agreement with Hampshire County Council or through developer contributions.

**CONSULTATION UNDERTAKEN ON THE DECISION**

A provisional draft TRO Programme was circulated to all Members prior to this PHD Notice being published. Any suggested changes have been incorporated in the proposed TRO programme as attached.

**FURTHER ALTERNATIVE OPTIONS CONSIDERED AND REJECTED FOLLOWING PUBLICATION OF THE DRAFT PORTFOLIO HOLDER DECISION NOTICE**

N/A

**DECLARATION OF INTERESTS BY THE DECISION MAKER OR A MEMBER OR OFFICER CONSULTED**

N/A

**DISPENSATION GRANTED BY THE STANDARDS COMMITTEE**
