SUMMARY

Approval is sought for the attached Business Partnerships and Policy Co-ordination Portfolio Plan 2016/17.

The Council's Portfolio Plans set out Portfolio Holders; priorities for the coming year via projects and programmes of work that will deliver the Community Strategy's key outcomes. They also provide the means of delivery to enable the Council to consider options for future service levels to align with the likely funding.

DECISION

That the Business Partnerships and Policy Co-ordination Portfolio Plan 2016/17 be approved as attached at Appendix 1.

REASON FOR THE DECISION AND OTHER ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

The Business Partnerships and Policy Co-ordination Portfolio was created following the local elections in May 2016. As this is a new Portfolio, a Portfolio Plan for 2016/17 was not approved at the time the other Plans were approved in January.

RESOURCE IMPLICATIONS:

The resources allocated to the delivery of individual actions are largely contained within existing resources commitments for individual teams as part of the budget setting process. However, where insufficient resources are available, including either capital or revenue funding, this may be the subject of a future growth bid which will require appropriate Member approval before the project can be progressed.

CONSULTATION UNDERTAKEN ON THE DECISION

The Portfolio Holder for Business Partnerships and Policy Co-ordination has been consulted on the projects included in the attached Portfolio Plan.
