

DRAFT PORTFOLIO HOLDER DECISION NOTICE

PROPOSED INDIVIDUAL DECISION BY THE PORTFOLIO HOLDER FOR ENVIRONMENT

TOPIC – TRAFFIC REGULATION ORDER – BROWNING DRIVE & SHELLEY CLOSE, WINCHESTER

PROCEDURAL INFORMATION

The Access to Information Procedure Rules – Part 4, Section 22 of the Council's Constitution provides for a decision to be made by an individual member of Cabinet.

In accordance with the Procedure Rules, the Head of Legal and Democratic Services, the Chief Executive and the Head of Finance are consulted together with Chairman and Vice Chairman of The Overview and Scrutiny Committee and any other relevant overview and scrutiny committee. In addition, all Members are notified.

If five or more Members from those informed so request, the Leader may require the matter to be referred to Cabinet for determination.

If you wish to make representation on this proposed Decision please contact the relevant Portfolio Holder and the following Democratic Services Officer by 5.00pm on Tuesday 21 March 2017.

SUMMARY

- Winchester City Council was instructed by Hampshire County Council to pursue the introduction of revised waiting restrictions in Browning Drive and Shelley Close, Winchester to accommodate highway improvement works as part of a school travel plan improvement scheme for Western School, Winchester.
- The proposed changes were advertised on 15th July 2016. All residents in the vicinity of the changes in the vicinity were notified by HCC as part of their scheme consultation exercise. Notices were posted on street in the immediate vicinity of the proposed changes, published in the Mid Hants Observer, placed on the Council's website and held on deposit in the City Office reception.

- Two responses were received which broadly supported the proposal, but stated that the restrictions did not go far enough or attempt to resolve other parking issues in the area. The proposals were only being pursued to accommodate the works being carried out by HCC and there is no scope to extend them.
- The proposal is being funded directly by Hampshire County Council as part of a school travel improvement scheme, however, it is in keeping with the Corporate Priorities in its attempt to improve traffic management, road safety and the environment.
- The cost of implementing the proposal is funded directly by Hampshire County Council. There are no additional enforcement resource implications.
- Copy of the plan showing the location and extent of the proposal is attached (Appendix 1).
- Copy of proposed schedule and statement of reasons is attached (Appendix 2).
- Copies of representations received are attached (Appendix 3).

PROPOSED DECISION

- That restrictions be introduced as detailed in the schedule attached (Appendix 2).
- That the Head of Legal and Democratic Services be authorised to make the necessary order.

REASON FOR THE PROPOSED DECISION AND OTHER ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

Subject: TRO Browning Drive & Shelley Close

Dear sir,

We wholeheartedly welcome the proposed changes to the above roads and the related Traffic Regulation Order. We do however question the decision to maintain the single yellow, no waiting 8am-6pm line on the east side of Browning Drive from the school entrance to the residents parking bay. This line is currently ignored by drivers who regularly park on it, leaving their vehicles for upwards of 10 minutes, and with a reduction in parking bays at the school entrance this is likely to increase. Would it therefore make more sense for this line to also be a double yellow, no waiting at any time, line?

Yours sincerely,

Browning Drive

Copy of email sent to Sam Whitfield at HCC following a letter put through our door. I am sending to you as this is the email address on the TWO (yes only two notices – and the are both in Shelley Close and NOT Browning Drive)

It is a great shame and a total waste of our time and efforts that our various proposals over the year or so involving our Councillors have been totally ignored. Another case of local people being completely ignored – again. Obviously the School and the Waste Collection Lorries are more important than us.

With the reduction in parking spaces – someone in Browning by the School we have long advocated will now have – because of the increased motor traffic both at normal school time and again for after school activities – will create problems. Unless driveways are protected by double yellow lines then chaos will follow as more drivers block our entrances.

Mr. Whitfield

Thank you for your letter dated 14th June put through our door today.

I would comment as follows:-

1. Agree with your proposals BUT they do not go far enough to satisfy us.
2. The parking scheme needs looking at with your proposals. If you are to amend the TRO then let's look at the whole problem not just that part perceived by the School. We have raised this issue with our County Councillor and City Councillors who have been told we might have to wait years to get alterations to the existing restrictions because of the backlog. If you are short circuiting that backlog let's do everything that is required NOW.
3. Currently driveway within the parking bays have white lines across them. These we are told are advisory only so if a parent parks there the traffic wardens are powerless to do anything. What we need, as per Cheriton Road, is for those drive ways to be protected by double yellow lines.
4. We need to make waiting in Shelley and Browning (at least) Residents Only. This will stop those cars that arrive before 3.00 and depart an hour later – thus blocking all spaces. If we go to Residents Only then they still have a few minutes to collect children and then move off quickly
5. All this is fine on paper but the TRO needs to be enforced. No good traffic wardens appearing when requested, standing on the corner and not booking anyone,. They must wait until the cars are vacated and then issue parking tickets. At the moment the cars are again parking at the top of Shelley Close on the yellow lines in the turning circle spoiling it for everyone else. Selfish and dangerous for those trying to turn
