### Questions

1. Play Area, Skateboard Park
2. How does the Serco site fit into the proposed plan?
3. Lack of clarity in what is planned for parking - different from website
4. Once the Serco site is closed what will the land be used for ?
5. The plans for the access road appear to be impacting on homes and traffic
6. If the Serco site is funding this, what is happening to that?
7. What hours of operations are required
8. Concerned about increased traffic & parking problems on Milland Rd
9. What facilities do you intend to build
10. Will car parking be dedicated to members only? As parking is tight to open to public there.
11. Why weren't we made aware before meeting which bit of land. I.e. the hockey pitch.
12. Where is the money coming from?
13. How does the Tesco land affect the proposal?
14. Where is the political will to take on Tesco over the land closer to the main road? They will sell us rubbish but block sporting facilities.
15. What outdoor facilities are being considered? These may have more noise / light pollution impact
16. Can Tesco be offered permission for a one stop shop in return for land?
17. How old is the current swimming pool building?
18. How will the old site be best used?
19. Can we link top of Garden Avenue with council's garden waste plot to make the cycle route for centre access
20. Where will you put a play area?
21. If bar end doesn't have a rec centre will anything else do?

22. If the pool had to be emptied where would the water go?
23. Will the new building overshadow allotments?
