

High energy bills?

WinAcc's friendly, experienced energy advisor Andy Smale, can come to your Council home **free**.

Andy will help you:

- Switch to cheaper energy
- Move off expensive prepayment meters
- Apply for grants. Some people can get cash to help pay debts to energy companies, or to buy appliances that are cheaper to run
- Swap old light bulbs for free energy-saving LED bulbs
- Make simple energy-saving changes in your home
- Reduce damp and condensation
- Stop wasting heat by clever use of the controls
- Explain how Smart meters work

He will tell the Council if they need to look at other problems with your heating, hot water or insulation. Contact details over the page.
