<b>RESPONSE SENT:</b>	11/07/2024

**Request:**

Does the Authority use Live Video Streaming via Cellular in any part of its operations (i.e. monitoring roads or road works, fly tipping, bus safety, anti-social behaviour...)?

If yes, in which parts of the operations is Live Video Streaming over Cellular use?

Who are the responsible people within these departments looking after the use Live Video Streaming via Cellular?

**Response:**

Winchester City Council does not use live video streaming via cellular.
