

<b>FOI REF:</b>	14350
<b>RESPONSE SENT:</b>	28/05/2024

**Request:**

What is the name of the energy supplier(s) for each of your residential heat networks?

How much has your energy supplier(s) charged you for your heat networks in the last five financial years (2019-20, 2020-21, 2021-22, 2022-23, 2023-24)?

Did you apply for the government's Energy Bills Discount Scheme for your heat networks? If not, why not?

Have you applied for the government's Heat Network Efficiency Scheme? If not, why not?

Have you updated your business case for adding meters to heat network flats since energy bills went up in 2022? If not, why not?

**Response:**

Winchester City Council don't have any heat networks.
