

FOI REF:	14798
RESPONSE SENT:	01/11/2024

Request:

Do you have an excel sheet of unexpended/unused/unspent s106 contributions as the particular clawback of 5/7/10 years has expired? Perhaps we could start there?

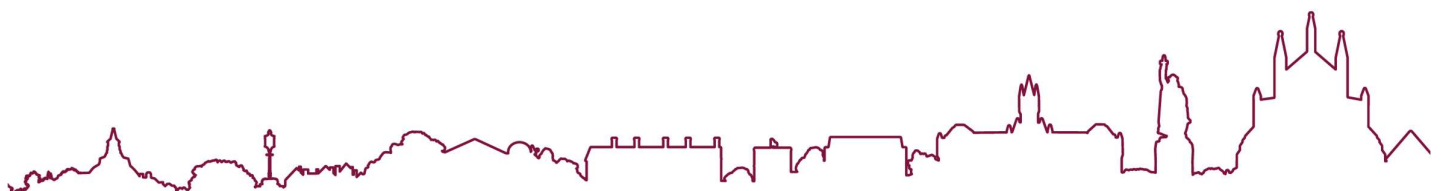

Response

I have treated your request as made under the Environmental Information Regulations 2004 (EIR), since the information held on planning files is usually environmental information.

The below balance table showing current balances of monies received from S106. Hampshire County Council will also be able to help further if you wish to FOI HCC; I have linked their website below.
