

FOI REF:	14880
RESPONSE SENT:	12/11/2024

Request

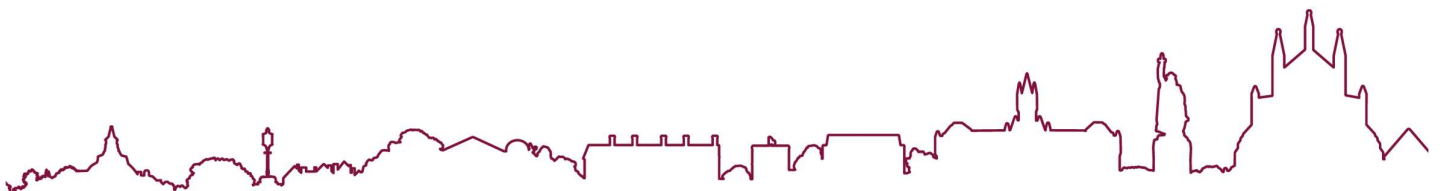

1) Details of any schemes or programs operated directly by the local authority under the UKSPF People and Skills priority area. Include the budget and the number of staff allocated to the program or scheme and where appropriate the length of the program or scheme.

2) Details of any organisation which has been awarded contracts by the local authority to deliver services covered by the remit of the UKSPF People and Skills priority area, such as upskilling, employment support, and skills provision. Include the names of the organisations, the amounts awarded, and the length of the contract.

Response

1) None

2) Names and amounts awarded are detailed below. The People and Skills priority area is only available for the final year of the fund so the length of the contracts is, accordingly, one year maximum.

Organisation	Name of Project	Project Description	Budget
Work Advisor	Digital Skills for Winchester Residents	Increasing online confidence for elderly, disabled and vulnerable residents	£ 50,000
Sustrans	Sustrans Health Walks	Developing new social routes and encouraging new walkers to join for physical and mental health benefits	£ 10,000
Hampshire County Council	County-wide retrofit skills schemes	Development of retrofit courses for local construction workers	£ 50,000
Sparsholt College	Ultra-Low-Carbon product training	Equipment for training in PV solar, battery and EV charger installation	£ 35,000
