

<b>FOI REF:</b>	14922
<b>RESPONSE SENT:</b>	19/11/2024

### Request

For each financial year, from 2019-20 to 2023-24, please provide:

- The number of trees planted by the council, its contractors and/or other organisations funded by the council
- The number of trees removed by those listed above
- The number of trees removed after Tree Preservation Orders for those trees were lifted
- The number of trees removed after Tree Preservation Orders for those trees were lifted that were the subject of subsidence claims

If the requested period is not available, please provide it from the earliest year available up until the most recent available at the point of production.

### Response

The trees planted for planting year 19/20 are 590. For the year 23/24 226 were planted.

The number of council trees removed in the year 19/20 were:

The number of council trees removed in the year 23/24 were:

None of the council trees removed had TPO's on them.

The TPO applications received and permitted that were subject to subsidence issues were 7 in the year 23/24.
