Dear Audit and Governance Committee

Completion Report for Those Charged With Governance

Attached is our Completion Report for Those Charged With Governance. The purpose of this report is to provide the Audit and Governance Committee of Winchester City Council (the Council) with a detailed complete report covering our approach and outcomes of the 2022/23 audit.

Given that Statutory Instrument (2024) No. 907 - "The Accounts and Audit (Amendment) Regulations 2024" (the SI) imposes a backstop date of 13 December 2024 by which date we are required to issue our opinion on the financial statements, we have considered whether the time constraints imposed by the backstop date mean that we cannot complete all necessary procedures to obtain sufficient, appropriate audit evidence to support the opinion and fulfil all the objectives of all relevant ISAs (UK).

This decision is in line with ISA 200: Failure to Achieve an Objective 24.

If an objective in a relevant ISA (UK) cannot be achieved, the auditor shall evaluate whether this prevents the auditor from achieving the overall objectives of the auditor and thereby requires the auditor, in accordance with the ISAs (UK), to modify the auditor's opinion or withdraw from the engagement (where withdrawal is possible under applicable law or regulation). Failure to achieve an objective represents a significant matter requiring documentation in accordance with ISA (UK) 230 (Revised June 2016).4 (Ref: Para. A77&A78)

Taking the above into account, for the year ended 31 March 2023 we have determined that we cannot meet the objectives of the ISAs(UK) and we anticipate issuing a disclaimed audit report.

In completing our work for this audit year we have taken into account Statutory Instrument (2024) No. 907 - "The Accounts and Audit (Amendment) Regulations 2024", Local Authority Reset and Recovery Implementation Guidance. We have also taken into account the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2020 Code of Audit Practice (including recent 2024 updates), the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements. Against this backdrop, we have also considered the Committee's service expectations.

The Audit and Governance Committee, as the Council's body charged with governance, has an essential role in ensuring that it has assurance over both the quality of the draft financial statements prepared by management and the Council's wider arrangements to support the delivery of a timely and efficient audit.

We consider and report on the adequacy of the Council's external financial reporting arrangements and the effectiveness of the Audit and Governance Committee in fulfilling its role in those arrangements as part of our assessment of Value for Money arrangements, and consider the use of other statutory reporting powers to draw attention to weaknesses in those arrangements where we consider it necessary to do so.

We draw the Audit and Governance Committee members and officers' attention to the Public Sector Audit Appointment Limited's Statement of Responsibilities (paragraphs 26-28) which clearly set out what is expected of audited bodies in preparing their financial statements.

This report is intended solely for the information and use of the Audit and Governance Committee and management, and is not intended to be and should not be used by anyone other than these specified parties.

Yours faithfully

Kevin Suter

Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the PSAA website. The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment and further guidance (updated July 2021)" issued by the PSAA (<https://www.psa.co.uk/managing-audit-quality/terms-of-appointment/terms-of-appointment-and-further-guidance-1-july-2021/>) sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the **Audit and Governance Committee and management of Winchester City Council**. Our work has been undertaken so that we might state to the **Audit and Governance Committee and management of Winchester City Council** those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the **Audit and Governance Committee and management of Winchester City Council** for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

01 Executive Summary

Executive Summary – System wide context

Context for the audit – Department for Levelling-up, Housing and Communities (DLUHC) and Financial Reporting Council (FRC) measures to address local audit delays

Timely, high-quality financial reporting and audit of local bodies is a vital part of our democratic system. It supports good decision making by local bodies and ensures transparency and accountability to local taxpayers. There is general agreement that the backlog in the publication of audited financial statements by local bodies has grown to an unacceptable level and there is a clear recognition that all stakeholders in the sector need to work together to address this. Reasons for the backlog across the system have been widely reported and include:

- Lack of capacity within the local authority financial accounting professions
- Increased complexity of reporting requirements within the sector
- Lack of capacity within audit firms with public sector experience
- Increased regulatory pressure on auditors, which in turn has increased the scope and extent of audit procedures performed

DLUHC has worked collaboratively with the FRC, as incoming shadow system leader, and other system partners, to develop and implement measures to clear the backlog. Statutory Instrument (2024) No. 907 - “The Accounts and Audit (Amendment) Regulations 2024” (the SI), together with the updated NAO Code of Audit Practice 2024 and the Local Authority Reset and Recovery Implementation Guidance, which have all been developed to ensure auditor compliance with International Standards on Auditing (UK) (ISAs (UK)), consist of three phases:

- Phase 1: Reset involving clearing the backlog of historic audit opinions up to and including financial year 2022/23 by 13 December 2024.
- Phase 2: Recovery from Phase 1 in a way that does not cause a recurrence of the backlog by using backstop dates to allow assurance to be rebuilt over multiple audit cycles.
- Phase 3: Reform involving addressing systemic challenges in the local audit system and embedding timely financial reporting and audit.

As a result of the system wide implementation of backstop dates we anticipate issuing a disclaimed audit opinion on the Council’s 2022/23 accounts. The proposed disclaimer of the Council’s 2022/23 accounts impacts the audit procedures that we have planned and undertaken to gain assurance on the 2022/23 financial statements and the form of the audit report.

Executive Summary – System wide context

Local Background and Context

The position at this Council has developed over recent year resulting in unaudited financial statements for 31 March 2023.

The main reasons for the Council's financial statements not being prepared, audited and signed to date include:

- ▶ The Council has been in a position to present the 2022/23 draft statements of account for audit very close to the regulatory timeframe. Due to auditing resource constraints we were unable to schedule the 2021/22 audit in order to meet the reporting timeline of 30 September 2022, and instead completed the audit in February 2023.
- ▶ The post pandemic timelines resulted in audit teams trying to move delayed audits onto completion, which used a significant amount of our finite audit resource leading to a lack of capacity to move onto the 2022/23 audit year.
- ▶ As a result, with acknowledgement of the wider reset proposals to move to the most recent year of audit (which at that point in time was 2023/24), we concluded it was not practical to schedule the 2022/23 audit. Therefore, for the reasons listed above we did not have the audit resource necessary to perform the 2022/23 audit for the Council before the backstop date.

Executive Summary – Report structure and work completed

Report structure and work completed

This report covers the work we have completed to meet the requirements of the International Standards on Auditing (UK&I), (ISAs) and the Local Audit Reset and Recovery Implementation Guidance (LARRIGs) along with the National Audit Office Value for Money Code (NAO VFM Code). It has been split into the following sections.

Section 1 - Executive Summary - this section setting out the national and local context and the structure of our report.

Section 2 - Work Plan - We have completed the following planning tasks:

- ▶ Required independence procedures.
- ▶ Set a level of materiality.
- ▶ Issued letters of inquiry to Management, Those Charged with Governance, the Head of Internal Audit and the Monitoring Officer.
- ▶ Updated our understanding of the business, including through review of responses to inquiry letters, minute review and in discussion in our internal planning meeting,
- ▶ Identified significant, inherent and other areas of higher risk or focus.
- ▶ Considered any other matters that may require reporting to regulators or which may result in a modification to the audit report e.g. non-compliance with laws and regulations, objections, significant weaknesses in arrangements for value for money, any matters that may result in the use of the auditor's powers.

Section 3 - Results and findings - Work completed to issue the disclaimer, findings and results:

- ▶ Review of the financial statements.
- ▶ Consideration of any matters that came to light during our planning and review procedures in relation to laws and regulations, fraud, related parties, litigation and claims, significant changes to contracts and systems, service organisations, which we report as appropriate.
- ▶ Reporting on any other matters that may require the use of the auditor's powers, formal reporting or a modification to the auditor's report e.g. non-compliance with laws and regulations, objections, significant weaknesses in arrangements for value for money, any matters that may result in the use of the auditor's powers.

Section 4 - Value for money reporting

- ▶ The value for money report covering the year to 31 March 2023.

Section 5 - Appendices

02 Work Plan

Work Plan – Audit Scope

Audit scope

This Completion report covers the work that we performed in relation to:

- ▶ Our audit opinion on whether the financial statements of the Council give a true and fair view of the financial position as at 31 March 2023 and of the income and expenditure for the year then ended; and
- ▶ Our commentary on your arrangements to secure value for money in your use of resources for the relevant period. We include further details on VFM in Section 4.

We will also review and report to the National Audit Office (NAO), to the extent and in the form required by them, on the Council's Whole of Government Accounts return.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- ▶ Strategic, operational and financial risks relevant to the financial statements;
- ▶ Developments in financial reporting and auditing standards;
- ▶ The quality of systems and processes;
- ▶ Changes in the business and regulatory environment; and,
- ▶ Management's views on all of the above.

Given that Statutory Instrument (2024) No. 907 - "The Accounts and Audit (Amendment) Regulations 2024" (the SI) imposes a backstop date of 13 December 2024 by which date we are required to issue our opinion on the financial statements, we have considered whether the time constraints imposed by the backstop date mean that we cannot complete all necessary procedures to obtain sufficient, appropriate audit evidence to support the opinion and fulfil all the objectives of all relevant ISAs (UK).

This decision is in line with ISA 200: Failure to Achieve an Objective 24.

If an objective in a relevant ISA (UK) cannot be achieved, the auditor shall evaluate whether this prevents the auditor from achieving the overall objectives of the auditor and thereby requires the auditor, in accordance with the ISAs (UK), to modify the auditor's opinion or withdraw from the engagement (where withdrawal is possible under applicable law or regulation). Failure to achieve an objective represents a significant matter requiring documentation in accordance with ISA (UK) 230 (Revised June 2016).4 (Ref: Para. A77&A78)

Taking the above into account, for the year ended 31 March 2023 we have determined that we cannot meet the objectives of the ISAs(UK) and we anticipate issuing a disclaimed audit report.

Work Plan - Materiality

Materiality

Planning materiality

£2.1m

Materiality for y/e 31 March 2023 has been set at £2.1m, which represents 2% of 2023 gross expenditure on provision of services.

Performance materiality

£1.5m

Performance materiality for y/e 31 March 2023 has been set at £1.5m, which represents 75% of planning materiality.

Audit differences

£0.1m

We will report all uncorrected misstatements relating to the primary statements greater than £0.1m for y/e 31 March 2023. Other misstatements identified will be communicated to the extent that they merit the attention of the Audit and Governance Committee.

In order to ascertain the significance of issues in the draft financial statements we have set materiality based on the published unaudited Council financial statements. These levels are being used to assess our response to any issues identified in the Council's financial statements.

Work Plan – Significant, inherent and other risk areas

The following ‘dashboard’ summarises the significant accounting and auditing matters identified as part of our planning work. It seeks to provide Those Charged with Governance with an overview of our initial risk identification for the year.

Audit risks and areas of focus

Risk/area of focus	Applicable year	Risk identified	Change from PY	Details
Management Override	31 March 2023	Fraud risk	No change in risk	As identified in ISA 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that would otherwise appear to be operating effectively. In addition to our overall response, we consider where these risks may manifest themselves and identify separate fraud risks as necessary below.
Inappropriate capitalisation of revenue expenditure	31 March 2023	Fraud Risk	No change in risk	Under ISA 240 there is a presumed risk that revenue may be misstated due to improper revenue recognition. In the public sector, this requirement is modified by Practice Note 10 issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition. We have assessed the risk is most likely to occur through the inappropriate capitalisation of revenue expenditure.
Land and Building Valuation (Property, Plant and Equipment and Investment Properties)	31 March 2023	Significant risk	No change in risk, but scope extended to PPE properties valued using DRC methods.	Property, Plant and Equipment (PPE) Land and Building and Investment Properties (IP) represent significant balances in the Council’s accounts and are subject to valuation changes, impairment reviews and depreciation charges. Material judgemental inputs and estimation techniques are required to calculate the year-end PPE and IP balances held in the balance sheet. As the Council’s asset base is significant, and the outputs from the valuers are subject to estimation, there is a higher risk that PPE and IP may be under/overstated or the associated accounting entries incorrectly posted. We are required to undertake procedures on the use of experts and assumptions underlying fair value estimates.

Work Plan – Significant, inherent and other risk areas

The following 'dashboard' summarises the significant accounting and auditing matters identified as part of our planning work. It seeks to provide Those Charged with Governance with an overview of our initial risk identification for the year.

Audit risks and areas of focus

Risk/area of focus	Applicable year	Risk identified	Change from PY	Details
Pension Liability Obligation	31 March 2023	Inherent risk	No change in risk	<p>The Local Authority Accounting Code of Practice and IAS19 require the Council to make extensive disclosures within its financial statements regarding its membership of the Local Government Pension Scheme.</p> <p>Accounting for this scheme involves significant estimation and judgement and therefore management engages an actuary to undertake the calculations on their behalf. ISAs (UK) 500 and 540 require us to undertake procedures on the use of management experts and the assumptions underlying fair value estimates.</p>

Work Plan - Independence

The FRC Ethical Standard 2019 and ISA (UK) 260 'Communication of audit matters with those charged with governance', requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in December 2019, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications

Planning stage

- ▶ The principal threats, if any, to objectivity and independence identified by Ernst & Young (EY) including consideration of all relationships between you, your affiliates and directors and us;
- ▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review;
- ▶ The overall assessment of threats and safeguards;
- ▶ Information about the general policies and process within EY to maintain objectivity and independence
- ▶ The IESBA Code requires EY to provide an independence assessment of any proposed non-audit service (NAS) to the PIE audit client and will need to obtain and document pre-concurrence from the audit committee/those charged with governance for the provision of all NAS prior to the commencement of the service (i.e., similar to obtaining a "pre-approval" to provide the service).
- ▶ All proposed NAS for PIE audit clients will be subject to a determination of whether the service might create a self-review threat (SRT), with no allowance for services related to amounts that are immaterial to the audited financial statements.

Final stage

- ▶ In order for you to assess the integrity, objectivity and independence of the firm and each covered person, we are required to provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to have regard to relationships with the entity, its directors and senior management, its affiliates, and its connected parties and the threats to integrity or objectivity, including those that could compromise independence that these create. We are also required to disclose any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;
- ▶ Details of non-audit/additional services provided and the fees charged in relation thereto;
- ▶ Written confirmation that the firm and each covered person is independent and, if applicable, that any non-EY firms used in the group audit or external experts used have confirmed their independence to us;
- ▶ Details of any non-audit/additional services to a UK PIE audit client where there are differences of professional opinion concerning the engagement between the Ethics Partner and Engagement Partner and where the final conclusion differs from the professional opinion of the Ethics Partner
- ▶ Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy;
- ▶ Details of all breaches of the IESBA Code of Ethics, the FRC Ethical Standard and professional standards, and of any safeguards applied and actions taken by EY to address any threats to independence; and
- ▶ An opportunity to discuss auditor independence issues.

In addition, during the course of the audit, we are required to communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place, for example, when accepting an engagement to provide non-audit services.

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period, analysed in appropriate categories, are disclosed.

Work Plan - Independence

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non-audit services if the service has been pre-approved in accordance with your policy.

Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Kevin Suter, your audit engagement partner, and the audit engagement team have not been compromised.

Self interest threats

A self interest threat arises when EY has financial or other interests in your company. Examples include where we have an investment in your company; where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake those permitted non-audit/additional services set out in Section 5.40 of the FRC Ethical Standard 2019 (FRC ES), and we will comply with the policies that you have approved.

None of the services are prohibited under the FRC's ES and the services have been approved in accordance with your policy on pre-approval. In addition, when the ratio of non-audit fees to audit fees exceeds 1:1, we are required to discuss this with our Ethics Partner, as set out by the FRC ES, and if necessary agree additional safeguards or not accept the non-audit engagement. We will also discuss this with you.

At the time of writing there are no non-audit fees. A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4.

There are no other self interest threats at the date of this report.

Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no self review threats at the date of this report.

Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of your company. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work.

There are no management threats at the date of this report.

Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise.

There are no other threats at the date of this report.

03 Results and findings

Results and findings

Status of the audit

The following items relating to the completion of our audit procedures were outstanding at the date of this report.

- ▶ Completion of subsequent events procedures;
- ▶ Receipt of a signed management representation letter

Given that the audit process is still ongoing, we will continue to consider existing and new information which could influence our final audit opinion.

Value for Money

Our value for money (VFM) work is complete and reported in Section 4 of this report. We had identified no risks of significant weaknesses in arrangements. Having updated and completed the planned procedures in these areas we did not identify a significant weakness. See Section 4 of the report for further details.

Audit differences

We identified no differences

Other Reporting Issues

We have reviewed the information presented in the Annual Governance Statement for consistency with our knowledge of the Council. We have no matters to report as a result of this work.

The Comptroller and Auditor General has confirmed that he plans to issue his opinion and certificate on the 2022-23 Whole of Government Accounts on 22 November 2024. Given we expect to issue our 2022/23 audit report after that date but before the statutory backstop of 13 December 2024, we therefore expect to be able to certify completion of the audit as part of our final 2022/23 audit report

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Council to consider it or to bring it to the attention of the public (i.e. "a report in the public interest").

We did not identify any issues which required us to issue a report in the public interest.

Results and findings

Areas of audit focus

In our Work Plan we identified a number of key areas of focus for our audit of the financial statements. We concluded we would disclaim the audit and therefore have not completed detailed audit testing on these areas but instead have reported any matters that came to light from the work we did complete.

In this instance there are no matters, other than those reported by management or disclosed in this report, which we believe should be brought to the attention of the Audit & Governance Committee.

Control observations

During the audit, we identified no significant deficiencies in internal control:

Independence

Further to our review of independence in section 2 of this report we have not identified any issues to bring to your attention..

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the Council's financial reporting process. They include the following:

- ▶ Significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures;
- ▶ Any significant difficulties encountered during the audit;
- ▶ Any significant matters arising from the audit that were discussed with management;
- ▶ Written representations we have requested;
- ▶ Expected modifications to the audit report;
- ▶ Any other matters significant to overseeing the financial reporting process;
- ▶ Related parties;
- ▶ External confirmations;
- ▶ Going concern; and
- ▶ Consideration of laws and regulations.

We have no other matters to report

Draft audit report

Our opinion on the financial statements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WINCHESTER CITY COUNCIL

Disclaimer of opinion

We were engaged to audit the financial statements of Winchester City Council ('the Council') for the year ended 31 March 2023. The financial statements comprise the:

- Comprehensive Income and Expenditure Statement,
- Movement in Reserves Statement
- Balance Sheet,
- Cash Flow Statement
- the related notes 1 to 27 including a summary of significant accounting policies.
- Housing Revenue Account Income and Expenditure Statement, the Statement of Movement on the Housing Revenue Account Balance, and the related notes H1 to H6, and
- Collection Fund and the related notes C1 to C3

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022).

We do not express an opinion on the accompanying financial statements of the Council. Because of the significance of the matter described in the basis for disclaimer of opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for disclaimer of opinion

The Accounts and Audit (Amendment) Regulations 2024 (Statutory Instrument 2024/907) which came into force on 30 September 2024 requires the accountability statements for this financial year to be approved not later than 13th December 2024.

The backstop date and the wider requirements of the local audit system reset, meant we did not have the required resources available to complete the detailed audit procedures that would be needed to obtain sufficient appropriate audit evidence to issue an unmodified audit report on the 2022/23 financial statements. Therefore, we are disclaiming our opinion on the financial statements.

Matters on which we report by exception

Notwithstanding our disclaimer of opinion on the financial statements, performed subject to the pervasive limitation described above, we have nothing to report in respect of whether the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council.

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 (as amended)
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014 (as amended)
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 (as amended)
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 (as amended)
 - we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014 (as amended)
- we are not satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We have nothing to report in these respects.

Our opinion on the financial statements

Responsibility of the S151 Officer

As explained more fully in the Statement of Responsibilities for the Statement of Accounts set out on page 24, the S151 Officer is responsible for the preparation of the Annual Financial Report 2022/23, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022), and for being satisfied that they give a true and fair view and for such internal control as the S151 Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the S151 Officer is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intends to cease operations, or has no realistic alternative but to do so.

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Council's financial statements in accordance with International Standards on Auditing (UK) and to issue an auditor's report.

However, because of the matter described in the basis for disclaimer of opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Code of Audit Practice 2024 and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice 2024, having regard to the guidance on the specified reporting criteria issued by the Comptroller and Auditor General in January 2023, as to whether Winchester City Council had proper arrangements for financial sustainability, governance and improving economy, efficiency and effectiveness. The Comptroller and Auditor General determined these criteria as those necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether Winchester City Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, Winchester City Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 (as amended) to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Our opinion on the financial statements

Certificate

We certify that we have completed the audit of the accounts of Winchester City Council in accordance with the requirements of the Local Audit and Accountability Act 2014 (as amended) and the Code of Audit Practice issued by the National Audit Office.

Use of our report

This report is made solely to the members of Winchester City Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 (as amended) and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Council and the Council's members as a body, for our audit work, for this report, or for the opinions we have formed.

The following footnote does not form part of our Auditor's Report.

Additional information related to the disclaimer of opinion is set out in our Completion Report for Those Charged with Governance dated 08 November 2024, available on the Council's website, which includes further explanations about the implementation of the statutory instrument which led to the disclaimer of our opinion on the financial statements.

04 Value for Money

VFM - Executive Summary

Purpose

The purpose of this section of our report is to set out the Value for Money (VFM) work for the 2022/23 financial year, and includes further information into the 2023/24 financial year where relevant. The report aims to draw to the attention of the Council, or the wider public, relevant issues, recommendations arising from the audit and follow-up of recommendations issued previously, along with the auditor's view as to whether they have been implemented satisfactorily.

We are required to report on whether the Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. We have complied with the guidance issued to auditors in respect of their work on value for money arrangements (VFM) in the Code of Audit Practice (the Code) and Auditor Guidance Note 3 (AGN 03).

The Department for Levelling Up, Housing and Communities (DLUHC) had worked collaboratively with the Financial Reporting Council (FRC), as incoming shadow system leader, and other system partners, to develop measures to address the delay in local audit. As part of the NAO consultation issued on 8 February 2024, there was a proposal to reduce the scope of the VFM reporting up to and including the 2022/23 financial year. However, the consultation stated that where auditors have begun or already undertaken work that no longer falls under the reduced scope (if agreed once the consultation closed), they may still report on it in accordance with Schedule 4. We continue to report VFM in line with our existing responsibilities as set out in the 2020 Code to ensure a smooth transition to the 2023/24 audit year when auditors are required to meet the full Code reporting responsibilities.

Risks of Significant Weakness

Our value for money procedures are based on the judgements reached from a combination of:

- our cumulative audit knowledge and experience;
- our review of Council committee reports;
- meetings with the Chief finance Officer, and other finance officers; and
- evaluation of associated documentation through our regular engagement with Council management and the finance team.

We identified no risks of significant weakness in the Council's arrangements as part of our risk assessment procedures.

VFM - Executive Summary (continued)

Reporting

Our commentary for 2022/23 is set out over pages 24 to 26. The commentary on these pages summarises our conclusions over the arrangements at the Council in relation to our reporting criteria (see table below) throughout 2022/23, and is unchanged from our interim VFM report issued in February 2024.

In accordance with the NAO's 2020 Code, we are required to report a commentary against three specified reporting criteria:

Reporting Criteria	Risks of significant weaknesses in arrangements identified?	Actual significant weaknesses in arrangements identified?
Financial sustainability: How the Council plans and manages its resources to ensure it can continue to deliver its services	No significant risks identified	No significant weakness identified
Governance: How the Council ensures that it makes informed decisions and properly manages its risks	No significant risks identified	No significant weakness identified
Improving economy, efficiency and effectiveness: How the Council uses information about its costs and performance to improve the way it manages and delivers its services	No significant risks identified	No significant weakness identified

Financial Sustainability: How the Council plans and manages its resources to ensure it can continue to deliver its services

No significant weakness identified

Winchester City Council have managed financial pressures in previous years including Covid-19 and more recently increases in energy and contract inflation. These pressures are not unique to the Council and are affecting all Local Government bodies. The Council have a history of being able to set a balanced budget and have delivered surpluses for several years, allowing them to build additional reserves in preparation for potential future deficits. Earmarked reserves have grown to £38.2m as at 31/03/2023 (£37.9m as at 31/03/2022). The Council has a policy of setting a minimum General Fund Reserve at £2m (currently maintained at £3.5m as of 31/03/2023).

Medium-Term Financial Plan for 2022/23 onwards was taken to Cabinet in October 2021. For 2022/23 the budget indicated a budget surplus of £0.136m with a further one year of £0.391m one off budget to support the delivery of the Council Plan to be funded from this allocation. As per the Outturn report in relation to 2022/23, the final net surplus of £0.952m was transferred to earmarked reserves.

A £1.0m deficit was forecast for 2023/24 but it was noted that this can be covered by the existing Transitional Reserve to ensure the Council can maintain a balanced budget through to March 2024. It was noted significant uncertainty remains in relation to future funding of local government and projections indicate the potential for longer term deficits, subject to Government funding announcements.

The Council set a balanced budget for 2022/23 and more recently for 2023/24. The 2023/24 medium term financial strategy forecast deficit positions of £1.037m, £1.962m and £3.592 in 23/24, 24/25 and 25/26 respectively. The most recent medium term financial strategy shows that these deficits have been reduced to a balanced budget for both 2023/24 and 2024/25 and a smaller deficit of £1.365m for 2025/26. This evidences that management have a process for identifying funding gaps and bridging these gaps as required.

In future years, financial challenges are expected to be mitigated through the Strategic Service Review process (Transformation challenge 2025 or TC2025 programme). This is a comprehensive and detailed review of the operating model for the delivery of all services to deliver necessary savings and protect core services for residents in the greatest need. An initial strategic budget review in relation to TC2025 identified 12 themes for consideration. TC2025 has been elevated to a tier one strategic project, sponsored by a new Transformation Board. The Board has clear terms of reference, setting out the transformation, financial, workforce and consultation principles of the programme. A Programme Lead and Programme Manager have also recently been appointed to drive the programme and ensure success can be achieved and measured.

The Council has borrowings of £162m. This is from the PWLB (part of the UK Treasury) and relates solely to the Housing Revenue Account. There is no other external borrowing. This level of borrowing is not considered unusual for a body of Winchester's size and housing stock.

Conclusion: Based on the work performed, the Council had proper arrangements in place in 2022/23 to enable it to plan and manage its resources to ensure that it can continue to deliver its services.

Governance: How the Council ensures that it makes informed decisions and properly manages its risks

No significant weakness identified

Primary oversight in relation to making decisions and managing risk lies with the Council's Cabinet or Full Council in accordance with the Council's constitution. Cabinet are supported by several other committees, who are informed by detailed reports produced by officers. There is an established Scrutiny Committee and Audit & Governance Committee which is the body formally charged with governance at the Council. The role of the Scrutiny Committee is to hold the Cabinet to account, review decisions made or actions taken in connection with the discharge of any of the Council's functions (including executive functions), and to monitor performance of the Council. The Audit & Governance Committee considers the work of both internal and external audit and the adequacy of risk management arrangements, and governance functions, for example promoting and maintaining high standards of conduct by Councillors and any co-opted members, and assisting the Councillors and co-opted members to observe the Members' Code of Conduct.

The budget is reviewed by the Scrutiny Committee before being put forward for Cabinet and Full Council for approval. While the budget scrutiny comes from top down, there is also a bottom up approach, with meetings held with managers where they put forward proposals for budget growth as they see appropriate, based on their knowledge and forecasts.

In order to make informed decisions with the latest information, the budget is reviewed quarterly. Trends and changes are then considered in the next budget setting.

There is a requirement to monitor expenditure against budget allocations and report to the Cabinet on the overall position on a regular basis, as part of the Council's overall financial and performance management reporting process. The Council's financial performance (revenue and capital), savings delivery and business performance are formally reported quarterly through a quarterly Financial and Performance monitoring report.

The Council have a risk register that is regularly kept up to date to ensure risks are identified and mitigations are put in place to ensure the risks to the Council are reduced to an acceptable level. The Corporate Risk Register is managed by the Council's Executive Leadership Board (ELB) with an owner from the ELB assigned to each risk to ensure risk monitoring and actions are being implemented. There are a number of 'red' risks within the risk register for 2022/23 which we considered as part of our value for money risk assessment. These are risks that we would expect to see for the Council and are not an indication of a weakness in governance arrangements.

The Council have an Internal Audit function which tests whether the controls in place to manage risk are effective. During 2022/23, Internal Audit have issued an overall opinion of "reasonable" assurance, with one limited assurance opinion.

Conclusion: Based on the work performed, the Council had proper arrangements in place in 2022/23 to make informed decisions and properly manage its risks.

Value for Money Commentary (continued)

Improving economy, efficiency and effectiveness: How the Council uses information about its costs and performance to improve the way it manages and delivers its services

No significant weakness identified

The Council produces a report of its Strategic Key Performance Indicators within their Quarterly Performance Reports. These KPIs are linked back to the key priorities within the Corporate Plan. The scorecard is used to flag areas of required improvement, devise actions to address any weakness identified and monitor progress. KPIs are given RAG ratings to clearly identify those items that are underperforming, or perhaps require closer monitoring.

The Council produces certain documents throughout the year which give the stakeholders, i.e. the public, employees etc an understanding of how the Council is performing, i.e. budget reports.

The Scrutiny Committee and Cabinet are responsible for considering reported performance against the KPIs and ensuring effective and efficient mitigating actions are taken to ensure targets set are being met. In order to give the performance reports detailed attention, the Scrutiny Committee have set up a Performance Panel to scrutinise the quarterly performance and financial monitoring reports on behalf of the Committee.

There is a 'Transparency' section on the Council website, which gives the public the ability to review the Council expenditure, enabling the Council to be open to scrutiny. Winchester City Council purchases goods and services from a variety of suppliers. Details of procurements are documented on the Council website, which includes details on the terms and conditions and general procurement process. The Council also has a contracts management framework to ensure contracts are delivering best value and to foster long-term collaborative relationships with suppliers that strive for continuous improvement in service delivery and efficiencies.

The Internal Audit function tests whether the controls in place are effective. There are regular committee meetings to discuss the Council performance, and any issues can be raised here.

The Council are utilising the information above as part of its Transformation challenge 2025 (TC2025) programme in order to reduce £3m of baseline costs in the medium term.

Conclusion: Based on the work performed, the Council had proper arrangements in place in 2022/23 to enable it to plan and manage its resources to ensure that it can continue to deliver its services.

Appendix A – Management representation letter

Management representation letter

This is the draft management letter template which Management will tailor and send back signed and dated prior to the opinion being issued.

Management Rep Letter

[To be prepared on the entity's letterhead]

[Date]

Ernst & Young

This letter of representations is provided connection with your audit of the [consolidated and parent] Authority financial statements of [name of entity] ("the [Group and] authority") for the year ended [balance sheet date]. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the consolidated and parent Authority financial statements give a true and fair view of (or 'present fairly, in all material respects,') the [Group and] authority financial position of [name of entity] as of [balance sheet date] and of its financial performance (or operations) and its cash flows for the year then ended in accordance with, for the [Group and] the Authority, CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 20xx/xx (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)).

We understand that the purpose of your audit of our [consolidated and parent] Authority financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist. Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with, for the [Group and the parent] Authority, the Accounts and Audit Regulations 2015 and the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 20xx/xx (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)).
2. We acknowledge, as members of management of the [Group and] authority, our responsibility for the fair presentation of the consolidated and parent Authority financial statements. We believe the [consolidated and parent] Authority financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the [Group and parent] Authority in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 20xx/xx (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)), and are free of material misstatements, including omissions. We have approved the financial statements.
3. The significant accounting policies adopted in the preparation of the [Group and] authority financial statements are appropriately described in the [Group and] authority financial statements.
4. As members of management of the [Group and] authority, we believe that the [Group and] authority have a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with [[applicable financial reporting framework] for the Group and] [applicable financial reporting framework] for the Authority that are free from material misstatement, whether due to fraud or error.

5. [When the comparative figures have been restated] The comparative amounts have been restated to reflect the below matter(s) and appropriate note disclosure of this (these) restatement(s) has (have) also been included in the current year's consolidated and parent Authority financial statements. *[Add a paragraph providing a brief description of each matter giving rise to a restatement and the amount(s) concerned.]* There have been no significant errors or misstatements, or changes in accounting policies, other than the matters described above, that would require a restatement of the comparative amounts in the current year's consolidated and parent Authority financial statements. Other differences in the amounts shown as comparative amounts from the amounts in the consolidated and parent Authority financial statements for the year ended [date] are solely the result of reclassifications for comparative purposes.
6. We confirm the [Group and] authority does not have securities (debt or equity) listed on a recognized exchange.
7. We have confirmed to you any changes in service organizations within the [Group and] authority since the last audited financial year.

B. Non-compliance with laws and regulations, including fraud

1. We acknowledge that we are responsible to determine that the [Group and] authority's business activities are conducted in accordance with laws and regulations and that we are responsible to identify and address any non-compliance with applicable laws or regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of a system of internal control to prevent and detect fraud and that we believe we have appropriately fulfilled those responsibilities.
3. We have disclosed to you the results of our assessment of the risk that the [consolidated and parent] Authority financial statements may be materially misstated as a result of fraud.
4. We have disclosed to you, and provided you full access to information and any internal investigations relating to, all instances of identified or suspected non-compliance with laws and regulations, including fraud, known to us that may have affected the [Group or] Authority (regardless of the source or form and including, without limitation, allegations by "whistle-blowers"), including non-compliance matters:
 - Involving financial improprieties
 - Related to laws or regulations that have a direct effect on the determination of material amounts and disclosures in the [consolidated and parent] Authority financial statements
 - Related to laws or regulations that have an indirect effect on amounts and disclosures in the [consolidated and parent] Authority financial statements, but compliance with which may be fundamental to the operations of the [Group and] authority's business, its ability to continue in business, or to avoid material penalties

- Involving management, or employees who have significant roles in internal control, or others
- In relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
2. All material transactions have been recorded in the accounting records and are reflected in the [consolidated and parent] Authority financial statements.
3. We have made available to you all minutes of the meetings of shareholders, directors and committees of directors (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the [period] to the most recent meeting on the following date: *[list date]*.

4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the [Group and] authority's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the [period] end. These transactions have been appropriately accounted for and disclosed in the [consolidated and parent] Authority financial statements.
5. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with [applicable financial reporting framework].
6. We have disclosed to you, and the [Group and] authority has complied with, all aspects of contractual agreements that could have a material effect on the [consolidated and parent] Authority financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
7. From the date of our last management representation letter through the date of this letter we have disclosed to you, to the extent that we are aware, any (1) unauthorized access to our information technology systems that either occurred or is reasonably likely to have occurred, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material effect on the [consolidated and parent] Authority financial statements, in each case or in the aggregate, and (2) ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

8. We have disclosed to you, and provided you full access to information and any internal investigations relating to, unauthorized access to our information technology systems that has a material effect on the [consolidated and parent] Authority financial statements, including disclosures.

D. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the [consolidated and parent] Authority financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related to litigation and claims, both actual and contingent, and have disclosed in Note [X] to the consolidated and parent Authority financial statements all guarantees that we have given to third parties.

E. Going Concern

1. Note [X] to the consolidated and parent Authority financial statements discloses all the matters of which we are aware that are relevant to the Group and authority's ability to continue as a going concern, including significant conditions and events, our plans for future action, and the feasibility of those plans.

F. Subsequent Events

1. Other than the events described in Note [X] to the [consolidated and parent] Authority financial statements, there have been no events subsequent to period end which require adjustment of or disclosure in the consolidated and parent Authority financial statements or notes thereto.

G. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the information contained within the Narrative Statement and also the Annual Governance Statement.
2. We confirm that the content contained within the other information is consistent with the financial statements.

H. Climate-related matters

1. We confirm that to the best of our knowledge all information that is relevant to the recognition, measurement, presentation and disclosure of climate-related matters has been considered and the [Group and] authority have reflected these in the consolidated and parent financial statements.

Yours faithfully,

(Chief Financial Officer/Finance Director)

(Chairman of the Audit & Governance Committee)

Appendix B – Fees

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Housing, Communities and Local Government.

This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the requirements of the Code of Audit Practice and supporting guidance published by the National Audit Office, the financial reporting requirements set out in the Code of Practice on Local Authority Accounting published by CIPFA/LASAAC, and the professional standards applicable to auditors' work.

The original fees for the year was based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Our accounts opinion and value for money conclusion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Council; and
- ▶ The Council has an effective control environment
- ▶ The Council complies with PSAA's Statement of Responsibilities of auditors and audited bodies. See <https://www.psa.co.uk/managing-audit-quality/statement-of-responsibilities-of-auditors-and-audited-bodies/statement-of-responsibilities-of-auditors-and-audited-bodies-from-2023-24-audits/>. In particular the Council should have regard to paragraphs 26 - 28 of the Statement of Responsibilities which clearly sets out what is expected of audited bodies in preparing their financial statements.

Due to the reset, the above clearly will not be achieved and we will be liaising with PSAA Ltd to discuss and agree fees.

	Current Year	Scale fee	Prior Year
	£	£	£
Total Fee - Code Work	tbc	52,379	68,833
Total audit	0	0	0
Non-audit services	0	n/a	0
Total non-audit services	0	n/a	0
Total fees	tbc	52,379	68,833

All fees exclude VAT

Note 1 - PSAA Ltd, in line with the joint statement issued DLUHC (as at that date) and the FRC is responsible for the determination of the final audit fee in respect of 2022/23.

In doing so, PSAA Ltd will apply the principles that where auditors have worked in good faith to meet the requirements of the Code of Audit Practice in place at the time the work was conducted (and have reported on work that is no longer required), then they are due the appropriate fee for the work done, including where their procedures were necessary to conclude the audit by the legislatively imposed backstop date by way of a modified or disclaimed opinion and the body is due to pay the applicable fee.

Appendix D – PSAA Statement of Responsibilities

As set out on the next page our fee is based on the assumption that the Council complies with PSAA's Statement of Responsibilities of auditors and audited bodies. In particular the Council should have regard to paragraphs 26-28 of the Statement of Responsibilities which clearly set out what is expected of audited bodies in preparing their financial statements. We set out these paragraphs in full below:

Preparation of the statement of accounts

26. Audited bodies are expected to follow Good Industry Practice and applicable recommendations and guidance from CIPFA and, as applicable, other relevant organisations as to proper accounting procedures and controls, including in the preparation and review of working papers and financial statements.

27. In preparing their statement of accounts, audited bodies are expected to:

- › prepare realistic plans that include clear targets and achievable timetables for the production of the financial statements;*
- › ensure that finance staff have access to appropriate resources to enable compliance with the requirements of the applicable financial framework, including having access to the current copy of the CIPFA/LASAAC Code, applicable disclosure checklists, and any other relevant CIPFA Codes.*
- › assign responsibilities clearly to staff with the appropriate expertise and experience;*
- › provide necessary resources to enable delivery of the plan;*
- › maintain adequate documentation in support of the financial statements and, at the start of the audit, providing a complete set of working papers that provide an adequate explanation of the entries in those financial statements including the appropriateness of the accounting policies used and the judgements and estimates made by management;*
- › ensure that senior management monitors, supervises and reviews work to meet agreed standards and deadlines;*
- › ensure that a senior individual at top management level personally reviews and approves the financial statements before presentation to the auditor; and*
- › during the course of the audit provide responses to auditor queries on a timely basis.*

28. If draft financial statements and supporting working papers of appropriate quality are not available at the agreed start date of the audit, the auditor may be unable to meet the planned audit timetable and the start date of the audit will be delayed.
