

FREE training in Domestic Retrofit

This informative short course will give you the essential information you need to understand what retrofit is.

From creating a warmer, healthier household, to saving money and tackling the climate emergency, there are plenty of benefits to retrofit.

Retrofit 101 is a tailor-made course designed by The Retrofit Academy for anyone wanting to learn about the fundamentals of whole-house domestic retrofit: the principles, best practices, and why it is important.

It takes just two hours to complete and on successful completion, you will receive a certificate.

Empower yourself with the knowledge to demystify the jargon around retrofit!

Full funding available for businesses or residents based in the Winchester District. To enrol for this fantastic opportunity, please scan the QR code here or email: **skills@hants.gov.uk**
