<b>RESPONSE SENT:</b>	5/12/2024

### Request

Under the Freedom of Information Act, I would like to request the contact information for your Learning and Development department or the appropriate person overseeing staff training and development.

Additionally, I am interested in any information on programmes or initiatives related to sustainability training and development.

We are exploring partnerships to offer a sustainability apprenticeship programme and would appreciate information on any relevant training initiatives already in place.

### Response

I am writing in response to your freedom of information request. Please find attached a copy of your request & response.

Please send any requests for contact to the following inbox - [humanresources@winchester.gov.uk](mailto:humanresources@winchester.gov.uk)

Carbon Literacy training is provided to staff and members. This training is mandatory for all staff on permanent contracts. We try to run at least two sessions a year for officers and one session a year for members.

The materials we use for Carbon Literacy are designed by the Carbon Literacy Trust.
