FOI REF:	15038
RESPONSE SENT:	10/12/24

Request

When recruiting for cyber security roles, could you please advise what qualifications you require from candidates applying for the following five roles (or the equivalent job title)?

1. Junior / Trainee Cyber Analyst
2. Standard Cyber Analyst
3. Senior Cyber Analyst / Cyber Team Leader
4. Information Security Manager / Chief Information Officer
5. Senior Information Risk Owner (SIRO)

Response

We do not have those roles within the council, but the qualifications we would recognise when recruiting for similar roles would be:

CISMP - Certificate in Information Security Management Principles

CIMP – Certified Information Management Professional

CISSP - Certified Information System Security Professional
