with the second		

You are now on the first page of the report form. In this section you will able to provide the necessary information to enable the Enforcement Team to efficiently investigate your concerns.

Use the drop down to select the type of breach believed to be occuring.

The Enforcement Team can not investigate anonymous complaints, therefore valid contact details will be required.

Please select a breach subtype. Please tap here to obtain select list
Please provide a valid email address
Please give brief details of the planning breach Please provide a brief description of the problem
Contact telephone number
Your name
* Contact Address
Please search by Postcode or first line …

Please state who is thought to be responsible, including their name and contact details

At the end of the page, please describe the harm that the development is having on yourself and provide any further information that may aid the investigation, for instance any known Planning References.

* Contact Addr	ess
Please search	by Postcode or first line
Please state wh	no is thought to be responsible, including their name and contact details
*Please state	when the breach is believed to have commenced on the site
*Please outline	e the impact on you and your environment. Providing as much details as possible
Please provide	any planning history and /or planning references you are aware of.

You will not be able to move on to the next section until all sections with a red mark have been completed.

You can then click the continue button at the end of the page to move to the next section.

On this page, you can submit any photographs or evidence of the suspected breach.

First click 'Add files' to select the documents from your device. Once you have selected the required documents, click 'start upload' to attach them to the form.

Once all documents have been attached, click continue.

The final bit of information you will need to provide, is the location of the breach.

On the map below, you can either enter the address of the site into the address box on the top left hand corner of the map or click on the map to pin-point the location.

Please enter the date of when the breach occurred.

Once completed, please click continue.

You will then be able to review your report.

If any changes need to be made, please use the back arrows to return to the require page.

If you are satisfied with the report, please click submit. You will receive a autoconfirmation email of your submission.

The Enforcement Team will then review your report and will be in contact.
