Case No 20/02180/HOU and 20/02181/LIS - WPP-09133448 LB

This application is for Listed Building Consent to modernise the central heating system at Prospect House. The old oil fired boiler will be removed, together with the oil tank. These will be replaced by a free standing external air source heat pump. Also a number of the radiators will need to be upgraded.

Wickham

Sheraton Insurance Brokers Bridge Street Wickham - Mr Jason Eldrid

Case No 20/02371/LIS - WPP-09191684 ILB

To install a flood barrier into the recess of the door called the Nautilus 400. The only permeant fixture is the metal rails which are in the recess of the door which will be painted brown the same as the door frame and door. The metal barrier is then installed in three sheets of metal which are also painted brown the same as the door and would be put in place in case of a forecast storm and can be installed and taken down within a minute. The height of the barrier is 1200mm to protect against the car spray from the flooded road.
